PRIVATE LAND HUNTING ON BIG TIMBER RANCHES

Absaroka-Beartooth Outfitters is lucky enough to headquarter in Big Timber, Montana with some unique ranches just minutes away. Local landowners of these properties have been gracious enough to allow us the opportunity to offer our hunters and anglers access to some very special hunting and fishing areas. We have access to thousands of acres of wildlife habitat on local private land ranches. Some of these areas are a special permit for elk but most are hunted with a general elk or deer license. Antelope hunts require a special permit. Our ranch hunts are fully guided. We use 4x4 vehicles to access the ranches we hunt as well as horses when needed. Accommodations include a comfortable lodge in Big Timber with all meals provided.

*A plus for our private land hunters is our ability to move from ranch to ranch during the hunt in order to provide them with the best possible hunting experience.

"I have been guiding and outfitting for twenty years and the topography of the landscape of this ranch provides the most unique combination of land management, wildlife conservation and trophy hunting opportunity with a general tag that I have ever encountered." We use a combination of 4 wheelers, hiking and horses for this hunt.

Resident and Non-resident hunters will need general licenses for elk and deer to hunt the majority of our ranches. Only two of the eight ranches we hunt require special elk permits. Hunters who want to hunt these ranches will need to apply for a special elk permit for those areas. (Special Permit Areas listed under hunt dates.)

In order to apply for a special elk or deer permit you must first apply for a general elk/deer license through the draw. You can apply for both the general draw and a special permit at the same time. Remember all our private land ranches, but two, are hunted with a general elk/deer license.

Archers who apply for the 900-20 area will need to purchase a bow & arrow license at the time they apply for the special unit area.
